Sir:

On September 30, 2005, Applicants filed an Information Disclosure Statement in the above-captioned matter. In the Information Disclosure Statement, Japanese Patent Publication No. 2002-184532, which had been cited in an International Search Report was brought to the Examiner's attention, a copy thereof was provided to the Examiner, and a Form PTO-1449 was also provided.

Applicants inadvertently cited this document incorrectly on the PTO-1449 Form. In particular, Japanese Patent Publication No. 2002-184532 was erroneously cited on the PTO-1449 form as "2001-184532", instead of the correct listing ----2002-184532-----.

To complete the record, Applicants assume that despite this typographical error, this document (i.e., Japanese Patent Publication No. 2002-184532), which was cited in the International Search Report that issued in the International application related to the

P28016.A02

present application, was considered by the Examiner during consideration of the underlying document.

Applicants have listed the above-noted document on a attached PTO-1449 Form, and respectfully request that the Examiner initial the appropriate space on the attached Form and return a copy of the completed Form to Applicant to confirm consideration of the underlying documents.

Should the Examiner have any questions, the Examiner is requested to contact the undersigned at the below-listed telephone number.

Respectfully submitted,  
Mitsuru IIDA et al.
